EXPERIENCE

Lead Game Producer — Fazliddin Games May 2026 — Present

- Production of concurrent Roblox titles from concept to live ops; managing 15+ people across parallel teams: roadmaps, resourcing, hiring.
- **Logo for Soccer Cards** — launched for the FIFA World Cup 2026: **1.2M peak DAU**, **7M Robux in 55 days**.
- **50+ launches in 6 months, 7 took off** — incl. Logo for Soccer Card 2 (123K peak DAU) and Logo For Animals (97K).
- Built the studio's launch analytics: market scanner, retention gates, paid-ads rules, same-day update checks.

Game Producer & Game Designer — VEL-Games Jun 2024 — May 2026

- **+1 Wings for Brainrots** — led production: **1.6M peak DAU**, **16M+ Robux**, 137M+ visits, D1 ~20%.
- **+1 Speed Wings Escape** — concept to launch: **1.08M peak DAU**, 16M+ Robux; live-ops event +20% DAU.
- **+1 Baddie Jumping** — concept, economy, live ops: 500K peak DAU, 12.2M Robux.
- **Drive it!** — onboarding and level rework: D1 +14%.
- Led a team of 9 (dev, art, QA); delivery cycle cut from 3 weeks to 1.
